Condominium Details

- Exclusivity: Only 20 apartments in the Portoreal Tower (the lowest density tower in the complex).
- Environment: Expansive gardens and green areas surrounding the towers.
- Maintenance: Flexible payment plans (annual or every four months) to ensure the facilities remain in pristine condition.

Note: Built between 1994 and 2001, this complex is renowned for its structural integrity and living spaces that are significantly more generous than those found in modern developments.
